Dated this the 12th day of November, 2007

ORDER

The above writ petition was disposed of on the basis of a memo filed by the petitioners to the effect that the writ petition is not pressed. The review petition is now filed by the petitioners in the writ petition on the ground that while making the prayer they omitted to request for liberty to file a fresh writ petition in respect of one of the prayers in the writ petition. It is under the above circumstances that review petition has been filed. I have heard both sides. It is apparent that the mistake was that of the counsel. In the above circumstances the Review Petition is allowed and judgment dated 20.9.07 is recalled.
